ESL COURSES

ESL courses are designed to be customizable for each student's preferences and needs. Students can choose from taking our general English program, which includes a choice of the afternoon elective class. Alternatively, our students can choose to specialize by choosing one of our full-time specialized English courses.

The courses are ideal for the beginner to the advanced levels. We provide a learning environment that makes the best use of different learning tools to ensure you achieve your language goals. If you are a part-time student, you can also enroll in a skill program based on your personal needs.
